ABOUT THE CONCLAVE

INDIA IS PLAYING MORE. INJURIES ARE RISING FASTER.

From the IPL and Pro Kabaddi to Khelo India and weekend marathons, more Indians are competing than ever – and sports injury care has to keep pace. The gap is not enthusiasm; it is coordinated, evidence-based treatment: accurate early assessment, modern arthroscopic and preservation surgery, structured rehabilitation, and objective return-to-play decisions.

HSC 2027 exists to close that gap – bringing the surgeons, sports physicians, physiotherapists and sports scientists who share one athlete into one room, across two focused days in Hyderabad.

"OUR MISSION: TO ADVANCE EVIDENCE-BASED SPORTS INJURY CARE IN INDIA – UNITING SURGEONS, SPORTS PHYSICIANS, PHYSIOTHERAPISTS AND SPORTS SCIENTISTS TO TAKE EVERY ATHLETE SAFELY FROM INJURY BACK TO PEAK PERFORMANCE."

CONFERENCE HIGHLIGHTS

- Comprehensive Sports Injury Management Across All Joints
- Current Concepts in Arthroscopy, Sports Medicine & Rehabilitation
- From Prevention to Return to Play
- Innovation in Surgical Techniques and Orthobiologics
- Live Surgical Videos and Technical Pearls
- Rehabilitation and Return-to-Sport Strategies
- Sports Nutrition, Psychology and Emerging Technologies

WHO SHOULD ATTEND

Orthopaedic Surgeons · Sports Physicians · Physiotherapists · S&C Coaches · PG Students

FACULTY

International and national faculty announcement to follow. No placeholders – names are published as they are confirmed, on the conclave website.

DAY 1 – SATURDAY, 30TH JANUARY 2027

Return to sport is the theme running through both days. Two halls run in parallel – surgery, and rehabilitation with strength & conditioning – with sports science and nutrition woven into the sessions where they apply, and joint plenary sessions bringing the conclave together.

TIME	HALL A – CASE-BASED DEBATE	HALL B – REHAB, PHYSIO & S&C
08:00	Registration · breakfast · trade exhibition	
09:00	PLENARY – Inauguration & opening keynote: <i>Return to sport</i>	
10:00	Recurrent shoulder instability in the thrower (<i>flagship case</i>) Bankart+remplissage vs Latarjet vs free bone block · shoulder loading before full-velocity bowling	Criteria-based rehabilitation & the RTP decision
11:08	Tea · exhibition	
11:23	ACL rupture in the pivoting athlete Graft choice · LET or not · kabaddi loading	Objective testing & return-to-sport criteria
12:41	PLENARY – RETURN TO SPORT: THE CASE, TOGETHER · surgeon → physiotherapist → S&C coach → floor debate	
13:26	Lunch · exhibition	
14:26	Rotator cuff in the overhead athlete PASTA lesion: conservative care vs debridement vs arthroscopic repair	Tendinopathy & load-driven pain
15:34	The torn meniscus – save it or not Repair vs meniscectomy – where resection is right	Fuelling recovery – energy availability & nutrition
16:42	Tea	
17:32	PLENARY – Medical ethics & good clinical practice in sports medicine	
18:17	Free papers – parallel by track	
19:32	Faculty dinner	

DAY 2 – SUNDAY, 31ST JANUARY 2027

TIME	HALL A – CASE-BASED DEBATE	HALL B – REHAB, PHYSIO & S&C
08:30	Hamstring tear & reconditioning Conservative vs surgical repair · sprint reintroduction	Field-based RTP testing & hamstring (<i>hands-on</i>)
09:38	The unstable ankle & stress fractures Broström vs augmented reconstruction	Muscle injury & the hamstring
10:46	Tea · exhibition	
11:01	Hip & groin pain in the athlete	Load management & injury risk
12:19	PLENARY – Concussion – consensus-based practice	
12:49	PLENARY – Athlete fireside chat	
13:24	Lunch · exhibition	
14:24	Fast bowler's lumbar stress fracture (<i>cricket marquee</i>) Rest-and-return vs the rare surgical indication	The athlete who isn't a 25-year-old male
15:42	Hand & wrist fractures in sport	Free papers – rapid fire
17:00	Tea	Anti-doping & sports cardiology
17:30	PLENARY – Awards & valedictory	

E-posters are on display through both days. **Abstract guidelines:** structured format (Title, Introduction, Methods, Results, Conclusion), maximum 250 words; the presenting author must be a registered delegate; separate prizes for each track. Hands-on workshops are capped and ticketed at registration.

DELEGATE CATEGORIES

CATEGORY	EARLY BIRD (TILL DATE TBA)	REGULAR	SPOT
Consultant / Specialist	₹ TBA	₹ TBA	₹ TBA
PG Student – HOD certificate mandatory	₹ TBA	₹ TBA	₹ TBA
Physiotherapist / Allied Health	₹ TBA	₹ TBA	₹ TBA
Accompanying Person	₹ TBA	₹ TBA	₹ TBA

- All fees are inclusive of 18% GST as per Government of India regulations; GST invoice issued for payments through official conference accounts.
- Registration includes access to the two-day scientific programme, live surgical video sessions, trade exhibition, delegate kit, and lunch on both days.
- Certificate of participation with TSMC CME credit points (applied; final count on approval). Doctors: keep your state medical council registration number handy – it is required for CME credit submission.
- PG registration requires a certificate from the Head of Department / Institution; senior residents are not eligible under the PG category.
- Cancellation: written request before the announced cutoff; 25% processing deduction; balance refunded within one month after the conclave.
