OPENING SOON

ABOUT THE CONCLAVE

INDIA IS PLAYING MORE. INJURIES ARE RISING FASTER.

From the IPL and Pro Kabaddi to Khelo India and weekend marathons, more Indians are competing than ever — and sports injury care has to keep pace. The gap is not enthusiasm; it is coordinated, evidence-based treatment: accurate early assessment, modern arthroscopic and preservation surgery, structured rehabilitation, and objective return-to-play decisions.

SIC 2027 exists to close that gap — bringing the surgeons, sports physicians, physiotherapists and sports scientists who share one athlete into one room, across two focused days in Hyderabad.

"OUR MISSION: TO ADVANCE EVIDENCE-BASED SPORTS INJURY CARE IN INDIA — UNITING SURGEONS, SPORTS PHYSICIANS, PHYSIOTHERAPISTS AND SPORTS SCIENTISTS TO TAKE EVERY ATHLETE SAFELY FROM INJURY **BACK TO PEAK PERFORMANCE."**

CONFERENCE HIGHLIGHTS

- Comprehensive Sports Injury Management Across All Joints
- Current Concepts in Arthroscopy, Sports Medicine & Rehabilitation
- From Prevention to Return to Play
- Innovation in Surgical Techniques and Orthobiologics
- Live Surgical Videos and Technical Pearls
- Rehabilitation and Return-to-Sport Strategies
- Sports Nutrition, Psychology and Emerging Technologies

WHO SHOULD ATTEND

Orthopaedic Surgeons · Sports Physicians · Physiotherapists · S&C Coaches · PG Students

THE TEAM BEHIND SIC 2027

CHAIRMAN

Dr Deepthi Nandan Reddy

HOD & Sr. Consultant, Sports Injuries & Orthopaedic Surgery

Past President, Shoulder & Elbow Society of India. FRCS Ed, FRCS (Tr & Orth, UK), CCT (UK), with advanced fellowships in the UK and at Mayo Clinic (USA). Three decades in shoulder reconstruction, rotator cuff repair and instability surgery.

CO-CHAIRMAN

Dr Amith Reddy

Senior Consultant, Orthopaedic Surgeon

Clinical Director, Apollo Hospitals Financial District. Over 19 years across advanced joint care and sports medicine, focused on robotic knee, hip and shoulder replacement and minimally invasive surgery.

ORGANIZING SECRETARY

Dr Ravi Teja Rudraraju

Consultant, Knee Preservation, Robotics & Sports Medicine

Fellowship-trained across three continents — FAOA (Australia), FISM (USA), FIJR (South Korea) — with dedicated robotic-surgery training in Melbourne. Treats elite athletes from Pro Kabaddi and professional football.

TREASURER

Dr Harsha Vardhana Reddy

Consultant, Orthopaedic Surgeon

D.Ortho, DNB (Ortho), MBA (Hospital Administration). A decade of practice in robotic and computer-assisted joint replacement, arthroscopic shoulder and knee surgery, and ligament reconstruction.

FACULTY

International and national faculty announcement to follow. No placeholders — names are published as they are confirmed, on the conclave website.

DAY 1 — FRIDAY, 29TH JANUARY 2027

TIME	SESSION / TOPIC
08:00-09:00	Registration, breakfast & trade exhibition opens
09:00-09:30	Inauguration
09:30-11:00	THE SHOULDER IN SPORT
09:30-09:50	Keynote — The overhead athlete's shoulder: from GIRD to the rotator cuff
09:50-10:10	Instability in the collision athlete: on-field recognition to stabilisation
10:10-10:30	Rotator cuff repair — live surgical video & technical pearls
10:30-11:00	Panel: return to throwing and overhead sport after shoulder surgery
11:00-11:15	<i>Tea break · exhibition</i>
11:15-13:00	THE ATHLETE'S KNEE — LIGAMENT & MENISCUS
11:15-11:35	ACL in 2027: graft choice, lateral augmentation and the evidence
11:35-11:55	Meniscus preservation: save it, fix it — repair techniques that last
11:55-12:15	ACL reconstruction — live surgical video & technical pearls
12:15-12:40	Debate: early vs delayed ACL reconstruction in the competitive athlete
12:40-13:00	Case-based discussion: the multiligament knee
13:00-14:00	<i>Lunch · exhibition</i>
14:00-15:30	ORTHOBIOLOGICS & PRESERVATION
14:00-14:20	PRP, BMAC and beyond: separating evidence from hype
14:20-14:40	Cartilage repair in the athlete: what works at return to play
14:40-15:00	Knee preservation & osteotomy in the young athlete
15:00-15:30	Meet the expert: my algorithm for the failing athletic knee
15:30-15:45	<i>Tea break</i>
15:45-17:15	ASSESSMENT & IMAGING + ETHICS
15:45-16:05	Clinical examination that still beats the MRI
16:05-16:25	Imaging the injured athlete: choosing wisely
16:25-16:55	Medical ethics & good clinical practice in sports medicine (TSMC CPD session)
16:55-17:15	Rapid-fire cases with audience polling
19:00	<i>Faculty dinner</i>

DAY 2 — SATURDAY, 30TH JANUARY 2027

TIME	SESSION / TOPIC
08:30-10:00	FOOT, ANKLE & THE RUNNING ATHLETE
08:30-08:50	Lateral ankle instability: when physiotherapy is not enough
08:50-09:10	Achilles tendinopathy and rupture: modern management
09:10-09:30	The injured runner: load, gait and footwear
09:30-10:00	Panel: stress injuries in the endurance athlete
10:00-11:15	REHABILITATION & RETURN TO PLAY
10:00-10:20	Criteria-based rehabilitation: progressions that earn the next stage
10:20-10:40	Objective testing for the return-to-play decision
10:40-11:15	Panel: who decides return to sport? Surgeon, physio, coach, athlete
11:15-11:30	<i>Tea break · exhibition</i>
11:30-13:00	THE PERFORMANCE LAYER
11:30-11:50	Sports nutrition for injury recovery and performance
11:50-12:10	The athlete's mind: psychology of injury and comeback
12:10-12:30	Emerging technologies: data, wearables and AI in injury prevention
12:30-13:00	Controversies in sports medicine: rapid-fire debate
13:00-14:00	<i>Lunch · exhibition</i>
14:00-16:00	FREE PAPERS & YOUNG SURGEON FORUM
14:00-15:00	Free paper podium session
15:00-16:00	Young Surgeon Forum — trainee & young consultant podium
16:00-16:15	<i>Tea break</i>
16:15-17:00	CLOSE
16:15-16:45	Best Paper & Best E-Poster Awards · Young Surgeon Forum Awards
16:45-17:00	Valedictory & see you at the next edition

E-posters are on display through both days. Abstract guidelines: structured format (Title, Introduction, Methods, Results, Conclusion), maximum 250 words; presenting author must be a registered delegate; submission portal opens with registration.

DELEGATE CATEGORIES

CATEGORY	EARLY BIRD (TILL DATE TBA)	REGULAR	SPOT
Consultant / Specialist	₹ TBA	₹ TBA	₹ TBA
PG Student — HOD certificate mandatory	₹ TBA	₹ TBA	₹ TBA
Physiotherapist / Allied Health	₹ TBA	₹ TBA	₹ TBA
Accompanying Person	₹ TBA	₹ TBA	₹ TBA

- All fees are inclusive of 18% GST as per Government of India regulations; GST invoice issued for payments through official conference accounts.
- Registration includes access to the two-day scientific programme, live surgical video sessions, trade exhibition, delegate kit, and lunch on both days.
- Certificate of participation with TSMC CME credit points (applied; final count on approval). Doctors: keep your state medical council registration number handy — it is required for CME credit submission.
- PG registration requires a certificate from the Head of Department / Institution; senior residents are not eligible under the PG category.
- Cancellation: written request before the announced cutoff; 25% processing deduction; balance refunded within one month after the conclave.
